SUMMARY

Operations coordinator with experience organizing customer requests, maintaining accurate records and improving team handovers. Combines clear written communication with practical spreadsheet and reporting skills.

EXPERIENCE

Operations Coordinator

Example Services Ltd | 2023–2026

- Organized a shared queue of 80 weekly customer requests, assigning owners and documenting the next action for each case.
- Rebuilt a weekly handover checklist with the support team, reducing missing case notes from 18 to 5 in a monthly sample of 100 cases.
- Prepared a weekly spreadsheet summary of open requests and overdue follow-ups for a five-person team.

Customer Support Associate

Example Retail Group | 2021–2023

- Answered order and delivery questions across email and chat, keeping clear notes for colleagues who handled follow-up.
- Wrote six internal response guides for recurring questions and helped two new colleagues learn the support workflow.

EDUCATION

Diploma in Business Administration | Example College | 2021

Relevant coursework: business communication, spreadsheet analysis and service operations.

SKILLS

Customer communication • Spreadsheet reporting • Process documentation • Scheduling • Excel • Shared inbox tools
